Mayor's message

Welcome to this Spring edition! It's time for some good news and sunshine. The major decision made by your Council was the approval of the Annual Budget and Long Term Financial Plan. This means a 0% increase in rates for the second year in a row.

Two very important **Citizenship Ceremonies** were held in The Regal Theatre in June, with 135 new citizens from 38 different countries becoming citizens and making Australia (and Burnside) their home. The Regal is also continuing to be updated with exterior painting, the upgrading of audio-visual equipment and lighting improvements.

Celebrations of **Reconciliation and NAIDOC Weeks** have involved staff and elected members working with local Kurna elders and library staff working with children from Burnside Primary School. We have also been involved in cultural awareness training and the commencement of our Reconciliation Action Plan.

The former Laurel Avenue Nursery site has been officially renamed the '**Laurel Avenue Pirkurna Wirra/Peter Bennett Organic Community Garden**'. This is going to be a wonderful community asset and place of growth and contemplation. Thanks to the Rotary Club of Burnside for providing a picnic table, seats and a cubby house.

You should start looking for Blue Plaques in Burnside. A number of these plaques telling the brief histories of these homes in Burnside have been installed. There are more to come, with 'oldest' businesses also being considered for a similar form of recognition. We need to be reminded of our history.

The Biodiversity Team held their **Native Plant Giveaway** from The Hub to Burnside ratepayers for enhancing our environment. Many vouchers for larger tree planting have also been collected. Continued planting is important for habitat and cooling because of the rapid loss of canopy happening in Burnside.

We opened the **recreational and play space** on the corner of Fullarton and Greenhill Roads. It is already proving popular with families with all-age children, teenagers and young adults. This area was completed by Cedar Woods for Burnside, in conjunction with the Brownhill and Keswick Creek Stormwater Scheme development that you can see continuing in the east parklands. This Scheme is a partnership with Mitcham, Unley, Adelaide and West Torrens Councils.

The **Tusmore Wading Pool** has commenced construction, with hope that our much-loved facility will be available in early 2022. The pump track continues to be popular and is now in Penfold Park. By that time it will have been located in every ward in Burnside, so all youngsters have had the chance to try it out in their local area.

The Glenunga Tennis Club building is at lock-up stage and should be completed by November and it looks great. The Newland Reserve tennis courts are being resurfaced, and the East Torrens and Kensington Gardens court redevelopment is also progressing well, with new public toilets being attached to their existing building and available for all park users.

There have been two **Master Plans** approved by Council, one for Penfold Park and the other for Tregenza Oval. These plans provide us with opportunities for staged development. The Old Collegians' Rugby Clubroom at Tregenza Oval has been transformed with great support by the club and both Burnside Council and State Government. These facilities will benefit female and male players of all ages and be available for private hiring.

I hope you are enjoying the online videos on our website and Facebook page. The 'Burnside Neutral by 2030' is informative about actions being taken by Council to help the environment. Different operational groups have been recorded in 'Burnside at Work' and the first two in the 'Our History' series are online for viewing. Seek help in the library if you have trouble connecting with these. My '**Burnside Highlights**' continue fortnightly, and I was pleased to share a couple of these with the Combined Probus Club of Burnside when I joined them on their 12th birthday.

Finally, thank you for being positive, patient, responsible and resilient during the COVID lockdown. It caused some stress and pain for all and our businesses suffered. Many events and celebrations had to be cancelled, but we came through it. Get vaccinated and keep safe!

Anne Monceaux Mayor

Congratulations and sincerest thanks to the Governor of South Australia, the Honourable Hieu Van Le and his wife, Lan Le, for the inspiring and devoted leadership and service to the community of South Australia, as they are about to begin their retirement living in Burnside.

Sincerest sympathy to the Lions Club of Burnside at the passing of their President, Bob Rowell, who had been a committed Lion for 49 years.

CEO's message

The approval of the **Budget and Long Term Financial Plan** will drive operations over the next 12 months. I am cognisant of the requirement to maintain the 118 services and at the same time reduce costs with a savings target of \$750,000. A number of new and renewed capital projects will be progressed despite the 0% increase in rates.

Council approved a wide range of **Community Grants** for individuals and groups within Burnside, covering health, art, education, sport, history, recreation, social and cultural projects. **Your Neighbourhood Budget** winners were voted by community members and soon you will have a new drinking fountain with a tap and dog bowl in Kensington Gardens, a shelter in Langman Reserve, a handrail for the steps in Michael Perry Reserve and a Little Library in Bell Yett Reserve (see story P 5). Both of these opportunities will be available again in 2022.

Construction works in **Kensington Gardens Reserve** south east corner redevelopment is progressing well and Kauria artists have already begun to carve sculptures and seating from trees that needed to be felled for the wetland development. The tennis court retaining walls are being constructed, bridge and boardwalk structures are being placed and the path network will begin shortly. All the time the children attending 'Kindy in the Park' are genuinely engaged in these works.

In Magill, much is happening behind the scenes. Tenders are soon to be called for construction of the **Magill Road Development** and our Project Community Engagement Officer continues his consultation with the Magill Road traders. Traffic counters and car parking sensors have been installed and detailed investigations of underground service providers are being conducted.

The **City Master Plan on Urban Form and Transport** has been out for consultation for the past two months. Neighbouring councils and stakeholders have been consulted, such as State Government and other relevant organisations. Once the data has been collated, it will be brought to Council as a report with recommendations for their consideration. School students have also been invited to provide input into the City Master Plan.

Back in 2012, Council created a **Recreation and Sport Strategy**. This is currently being reviewed through a process of consultation and with our **Strategic Plan 2030** in mind. Stage 1 involving engagement with Council-leased sporting and recreational organisations has commenced. Community Focus Groups, a Club Forum and further consultation with the community will occur in Stage 2.

A state-wide **COVID lockdown** meant closure of facilities in mid-July, but my amazing team worked tirelessly to ensure all essential services continued to support you, our valued community members. The City of Burnside continues to be proactive in its response to COVID-19 and supporting the State and Federal Government in their response to the pandemic.

Chris Cowley CEO

Garage Sale Trail

Australia's favourite festival of re-use, the Garage Sale Trail, returns to the City of Burnside this November. Happening online and in your community, it's a month of money making, waste reducing, treasure hunting fun! WEEKEND ONE sees the return of the Trail Tutorial series of online masterclasses. Hosted by some of the biggest names in fashion and sustainability, these free sessions will equip you with new skills to re-use and repair your stuff.

Host a garage sale or shop the Trail on WEEKENDS TWO AND THREE.

This year will see two weekends of garage sales held simultaneously around the nation, with more sales, more bargains, and more planet-saving fun than ever before!

Saturday 6 & Sunday 7 November
Trail Tutorials online masterclasses

Saturday 13 & Sunday 14 and Saturday 20 & Sunday 21 November
Two big weekends of garage sales

Pre-register now at www.garagesaletrail.com.au

Heritage Plaques

Council's heritage plaque pilot project was launched to mark key heritage places within the City.

The following properties have a heritage plaque installed to reflect their historic interest:

- 1A Young Street, Burnside
- *Knox Homes*, 8-18 Young Street, Burnside
- Burnside Primary School Gates, 11 High Street, Burnside
- *Undelcarra*, 13 Undelcarra Road, Burnside
- *Ivymeade*, 19 Nilpinna Street, Burnside
- 28 High Street, Burnside
- 29 Chisholm Avenue, Burnside
- 36 Young Street, Burnside
- 56 Lockwood Road, Burnside
- 64 High Street, Burnside
- *Lockwood House*, 90 Lockwood Road, Burnside
- St David's Parish Hall, 488 Glynburn Road, Burnside
- St David's Church, 488 Glynburn Road, Burnside
- Burnside Post Office, 502 Glynburn Road, Burnside
- 574 Greenhill Road, Burnside
- *Attunga*, 120 Kensington Road, Toorak Gardens
- Tram Switching Shed, West Terrace, Kensington Gardens

The plaques on private properties are on the exterior and are visible from the footpath.

Business Award Winners

The winners of the 2021 Business Awards will be announced at a cocktail event on Friday 5 November at the Civic Centre.

Pedestrian Actuated Crossing (PAC)

To improve safety for the Burnside Community, Council has taken the initiative to fund and install a new push button, Pedestrian Actuated Crossing (PAC) across Greenhill Road which is to be located between Lancelot Avenue and Howard Terrace. Work commenced mid August and is expected to be completed by October.

Your Neighbourhood Budget

Your Neighbourhood Budget (YNB) is a participatory budgeting program where residents are able to suggest ideas for small capital assets and events to occur in their neighbourhood. The community can then vote on their favourite two projects that they would like to see implemented. This program provides one of many opportunities for the community to say how rates are spent as part of the annual business plan and budget. The winning Your Neighbourhood Budget projects for 2021/22, as voted by you, have been decided.

This year's program resulted in 24 submissions, with 12 of these projects assessed as eligible to proceed to the community voting stage. A total of 56 residents participated in the voting.

Based on the votes, the successful projects which will be implemented in 2021/22 are:

- Drinking fountain, Kensington Gardens Reserve, to improve hygiene. Taps and new water service from meter with backflow valve.
- Handrail, Michael Perry Reserve, at rear of Willowbridge Grove Stonyfell to improve safety.

- Little library, Bell Yett Reserve, maintained by local residents. To create a stronger sense of community and engagement and stimulate greater interest and reasons to be out and about in the community.
- Shelter, Langman Recreation Reserve, close to tennis courts, barbecue and water fountain.

Deborah Lindsay and her family have hosted or attended many birthday parties and social gatherings with school parents or neighbours in Langman Reserve over the years. "I suggested a shelter and seating as a great focus for the facilities already there, which could be used in various weather conditions," Deborah, of Burnside, says. "It feels good to know that your suggestion has been supported by both the community and Council."

Jim Muir lives next to Bell Yett Reserve and suggested the Little Library. "One of the key ideas behind the project is to build connections between people and give them another reason to be in touch with each other, extending the quality of community within the local area," Jim says.

Playground Recycling Content

Council is committed to reducing the amount of waste we send to landfill by encouraging re-use, repair and sharing. In line with this Council has used recycled content in the new W H Holmes playground. The rubber softfall underneath uses a lot of recycled product. This thick impact layer is 100 per cent recycled rubber predominantly made up of recycled truck tyres. The thinner top coloured layer is made up from 20 per cent black recycled tyre rubber also, with some non-recycled colour granules that will ensure the product keeps its vibrancy and looks good long-term.

Council's Reconciliation Action Plan

Pictured L - R above: Michelle Toft, Farlie Taylor, CEO Chris Cowley, Mayor Anne Monceaux, Cr Paul Huebl, Lynette Crocker (Kaurna Community Representative), Cr Henry Davis, Merle Simpson (Kaurna Community Representative), Rayne Simpson (Kaurna Community Representative), Leanne Muffet (Workshop Facilitator, Strategic Matters), Cr Lillian Henschke, Penny McAuley. Absent from pic: Cr Peter Cornish.

On Thursday 3 June City of Burnside's Reconciliation Working Group participated in a highly valuable workshop to commence the development of Council's first Reconciliation Action Plan (RAP).

It was an exciting day shared in partnership with Kaurna community representatives, Elected Members and Council staff. This day was chosen as it was the anniversary of the Mabo court decision and the last day of Reconciliation Week.

CEO Chris Cowley, Chair of the RAP, says the practical actions outlined in the City of Burnside's RAP will help build strong relationships with First Australians and develop a deeper understanding of the Traditional Owners of the area of the City of Burnside, the Kaurna People.

"It is a powerful tool that turns positive intentions into actions, builds trust and respect, lowers prejudice, and increases understanding between Indigenous and non-Indigenous Australians," Chris says. "The City of Burnside's RAP represents the Council's commitment to reconciliation and respect towards the Traditional Owners of the land."

"This workshop has set the foundation for what will be Council's commitment to practical actions that will drive our organisation's contribution to reconciliation both internally and in the communities in which we operate."

NAIDOC Week (4 – 11 July) celebrations highlighted the history, culture and achievements of Aboriginal and Torres Strait Islander peoples.

"It is an opportunity to celebrate and learn more about the world's oldest living culture,"
Chris Cowley says.

"The 2021 theme Heal Country encourages Australians to embrace First Nation's cultural knowledge and Council participated in NAIDOC Week to celebrate and raise awareness of Aboriginal and Torres Strait Islander culture, heritage, knowledge and language."

As part of National Reconciliation Week (27 May – 3 June) Burnside Library events including Baby Chat, Toddler Tales and Storytime, had a special focus on Reconciliation and learning more about First Nations People as part of their regular programming. The Library hosted a colouring competition using the 'Colour for Reconciliation 2021' artwork by artist Jessica Johnson.

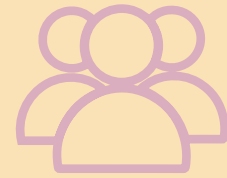

A screening was held at The Regal Theatre of the docu-film 'The Australian Dream' on Tuesday 1 June. It tells a powerful story about race, identity and belonging.

Members of the Reconciliation Action Plan working group (mix of Elected Members, Council staff and Aboriginal community representatives) attended the Reconciliation SA breakfast at the Convention Centre.

Carvings in KGR

Artists from Aboriginal Contemporary Arts (ACA) have been engaged to create wooden carvings of items to display at KGR. They include a platypus, shield and interpretive signage.

Indigenous Employment Opportunities

RAWsa is partnering with Council and our contractor CAMCO SA to actively achieve employment outcomes for First Nations People across the Council's boundaries.

The Kensington Gardens Reserve Project has provided over 3,000 hours of indigenous workforce participation in the first six months of this project which equates into four full time positions working operationally on the ground. The Council has invested in a RAWsa employed, and Kurna Yerta Aboriginal Corporation (KYAC) endorsed, Aboriginal Workforce Participation Officer (AWPO) position on the project as part of the commitment to reconciliation. The role of the AWPO is to maximise workforce participation opportunities for First Nations People.

Activation of the AWPO has provided the project with access to Kurna community consultants engaged for community interaction workshops with local Kindergartens and other key stakeholder activities. It also supports the four Workplace Participation Program team members and maximises opportunities for additional Kurna involvement in construction.

Community Grants 2021/22 awarded

Council recognises the local community sector plays a vital role in empowering people to have an active role in shaping their own future and achieving their aspirations.

Council is committed to the development of effective working partnerships with individuals, community groups and organisations in ensuring the City of Burnside has a resilient, happy, healthy and connected community.

Community Grants of up to \$5,000 were awarded to eligible community groups and organisations for the 2021/22 financial year.

Medieval images courtesy of Adelaide East Herald.

Medieval Martial Arts & Craft Centre SA \$3k

Eastway Vikings Project will enable weekly meetings and demonstrations for members of the community interested in the 'Viking Age' (period of 9th-10th century). President Alex Foster says the grant means a lot to the group. "We want to bring like-minded people together to learn and have fun and this grant will help us to keep doing that," Alex says. "Everyone is here to learn and develop their skills through old crafts, and we have members with a wealth of knowledge in areas such as jewellery making, woodworking and leatherworking." Alex says the group performs at festivals and fairs across SA and interstate. "One day we would love to attend international events in Europe too. We really appreciate the support from the City of Burnside and we would love for more people to join us and get involved."

Call Alex on 0400 762 115 (before noon on weekdays) or Susan at Eastwood Community Centre on 8373 2225.

L – R: Doon Hayman, Helen Blackman, Kristin Wohlers

SA Mosaics \$1.28k

SA Mosaics received a grant for their Mosaic Art exhibition to be held at Pepper Street, from September 3 to 24, incorporating a full day at Glenunga Hub, which will include talks, a Q & A with a panel, and demonstration of tools, materials and techniques. Kristin Wohlers said the grant has helped tremendously as it covered the hire fee for Glenunga Hub and Pepper Street Arts Centre. "It allows people to come together and share ideas and information."

Eastern Suburbs Camera Club (ESCC) \$3.5k

ESCC secured a grant for a new projector for the club to use at fortnightly meetings (presentations and/or club competitions) as well as the annual inter-club competitions.

These two groups secured Quick Response Grants. These grants are intended to be a fast approval form of the Community Grants, capped at \$500 per application, focusing on positive ageing, youth, environment, sport and small equipment purchases.

Adelaide Marlins Little League Baseball Team

Theoh McWhinnie-Wong played in the team at the Australian Little League Championships in Lismore, NSW in June. The Marlins finished fourth, the highest result for the Team. A grant of \$500 paid for Theoh's uniform and contributed to his registration fees.

Play It On

Play it On is a social enterprise that provides funding to assist children from families that are financially challenged, to participate in their chosen sport by providing sports equipment, clothing and footwear. Founder and CEO Theresa Brown encourages sporting clubs to collect new or slightly used sports equipment at their clubrooms. To assist in the collection she approached The Shed to see if they could make some wooden boxes as a collection point.

Shed Coordinator Evan Reay said some of the men at The Shed built four custom made boxes with wheels using photos of similar boxes as a guide. The Shed are working on six more boxes.

Theresa said the \$500 grant from Council was crucial as they receive no other funds. The grant went to the cost of wheels for collection boxes and printing posters to place on the front. "We are also grateful to the sports associations, clubs, teams, businesses and shops who have donated sports gear, end of run clothes and footwear for *Play it On* to sell," Theresa said.

Grants also awarded to: Burnside Historical Society

To publish a Journal of the Burnside Historical Society for distribution to members and the wider community which encapsulates the activities of the Society in promoting Burnside History during 2021. \$3k

Cancer Patients Foundation

Look Good Feel Better is dedicated to teaching cancer patients how to manage the appearance-related side effects caused by cancer treatment. \$5k

War Widows' Guild of Australia (SA) Inc

Using a smart TV to provide regular film afternoons, exercise sessions and access to Skype for aged members. \$3k

SA Athletic League

Support for the Kensington Gift athletic event. \$5k

Glenunga International High School (GIHS)

The Elevate Program is a mentoring and socio-emotional learning program where Students-at-Risk are referred to the Wellbeing team for weekly mentoring sessions with a matched teacher. \$3k

Pickleball SA Association Inc

Introduction of pickleball to the City of Burnside by establishing and managing social play sessions at a suitable outdoor location in the City. \$3k

Burnside Youth Concert Band (BYCB)

Year 2 of a 3 year agreement. To host the annual music workshop for young people. \$1.9k

Grove Kindergarten

The Grove 'Kindy Olympics' that aims to foster interest and engagement in sport, physical activity and wellbeing. \$1.5k

Old Collegians Rugby Union Football Club

Sponsorship for Indigenous Round in July 2021 with a Smoking Ceremony, didgeridoo performance and cultural awareness training. \$5k

Rotary Club of Burnside

Year 2 of a 3 year agreement. Christmas lunch for senior citizens of Burnside. \$3k

Persian Academic and Cultural Association in Adelaide (PACANIA)

Weekly gatherings and annual major events in Burnside Community Centre to emphasise cultural values and a welcoming approach to new migrants. \$5k

Upcoming works

The following works are underway or due to commence by Nov 2021

Community Buildings

- Glenunga Tennis Club redevelopment.
- Old Collegians Rugby Club change room extension.
- East Torrens Tennis Club clubroom and public toilet upgrade.
- Town Hall audio installation.
- Pepper Street Arts Centre workshop upgrade.

Drainage Improvements

- Berry Cres Burnside.
- Main Ave Frewville.
- Penfold Rd Wattle Park.
- Pridmore Rd Glen Osmond.

Kerb Replacements

- Birnie Ave Kensington Park.
- Brook Ave Glen Osmond.
- Godfrey Tce Erindale.
- Gordon Tce Rosslyn Park.
- Grant Ave Rose Park.
- Mount Osmond Rd Mount Osmond.

Lighting Improvements

- Alexandra Ave Rose Park and Toorak Gardens.
- Hallett Rd Stonyfell.
- High St Burnside.
- Prescott Tce Rose Park and Toorak Gardens.
- West Tce Kensington Gardens.
- Proposed Reserve lights at Allen Mine, Andrews Walk, Hazelwood Park, Miller Reserve.

Open Space

- Tusmore Park – Wading Pool refurbishment.
- Andrew's Walk – Bridge repairs.
- Penfold Park – Tennis courts surface repairs.
- Tusmore Park – Tennis courts surface repairs.
- Langman Reserve – Cricket pitch replacement.
- New Drinking Fountains x 5 – Various locations.
- Penfold Park – Bike racks x 2.
- Penfold Park – Bollards – Romalo Avenue and The Parade frontages.
- Burnside Village – Community bench.
- Inverness Avenue – New bench and bin.
- Michael Perry reserve – New handrail – Your Neighbourhood Fund.
- Drinking Fountains – Various locations.
- Bus Shelters – Various locations.
- Two new picnic shelters at Langman Reserve and Tregenza Oval.

Road Resurfacing

Crompton Dve and Elvira Gve Wattle Park. Maple Ave Magill, Salop St, Glyde St, Vine St and Scott St Beulah Park, Ayrbank Ave and Mingara Ave Stonyfell.

Footpath Renewal

Barker Gr and Chatsworth Gr Toorak Gardens, Cooper Pl Beaumont, Craighill Rd St Georges, Cudmore Ave Toorak Gardens.

Traffic Projects

- Pedestrian Actuated Crossing – Greenhill Road Hazelwood Park.
- Pedestrian Actuated Crossing – The Parade, Norwood Morialta High School.
- Emu Crossing – L'Estrange Street Glenunga.
- Shared Use & Cycling Path upgrade – Mount Barker Road Glen Osmond.*
- Raised Intersection Treatments – Dulwich Ave Dulwich.*
- Roundabout – Hood St and Verdale St Linden Park.
- Road (speed) Humps – Verdale Street Linden Park.

**These projects have received funding through the Federal Government's Local Roads and Community Infrastructure grant program.*

For more detail on planned projects, including extent of works and locations:

Please visit www.burnside.sa.gov.au/Planning-Business/Council-Projects/Capital-Works-Projects

Further direct communications on proposed works are provided to nearby residents prior to works occurring.

Goodbye winter, hello spring! After a wild, woolly, and wet winter we welcome the warmer weather and promises of spring.

We also acknowledge the pain endured by many in our community who have experienced the negative effects of the pandemic, with the significant impacts of the lockdown on families, schooling, business, Council and community life.

One of our highest priorities is the commitment to taking action on climate change. A major action to manage this – along with the expectations of our community – is the work to preserve and maintain our tree canopy.

Importantly, you will have noticed the Burnside tree planting program has continued in our streets and parks, as Council works to increase greening to counter the effects of tree losses across our suburbs resulting from storm activity, disease and increased urban development. Adding pressure to this loss is the increase in urban warming contributed to by the comparatively dramatic increase in grey cover due to larger house sizes and growth in dry, paved areas.

But we need your help. We recognise there are many benefits for maintaining birds and wildlife that additional tree and shrub plantings can make in your gardens and we have recently had great uptake of Council's Native Tree giveaway for local garden owners. We also encourage residents to plant lawn and/or shrubs on their verges, help water street trees and participate in our community gardens. Construction of the new Laurel Avenue Community Garden is well underway and available for all residents to participate in. Please register your interest with Council staff.

Jane Davey M 0427 444 275
jdavey@burnside.sa.gov.au

Earlier this year, the community was involved in providing feedback on the future use of The Regal Theatre site. Council has since approved the development of a master plan for this site and staff are currently working on consulting with performers, industry partners and bodies, and key hirers to determine current and future needs for the site. Future options for the site will then be developed into a draft plan which will be ready for consultation in early 2022.

We are also looking forward to development of the City Master Plan to manage future planning for residential development along with strategies for the existing and developing traffic and transport issues. Residents were given the opportunity in the middle of the year to provide feedback on 'trouble spots' within the City of Burnside and this information will assist staff to develop overall city strategies for managing the way that our residents move around the city.

A Marryatville Precinct Master Plan is also being explored to ensure that this area, with its interesting heritage, shops, cafes and park can be linked, revitalised and beautified, to improve residential safety and support business.

We are keeping a close watch on the traffic experienced in Beulah Park streets as the Portrush/Magill Road upgrade progresses. Work is also underway for the pedestrian activated crossing on Greenhill Road (adjacent Hazelwood Park) with the hope that work will be completed by October 2021.

Jane and Sarah

Sarah Hughes M 0421 355 596
shughes@burnside.sa.gov.au

City of Burnside has approved no increase in rates for the second consecutive year.

In 2020, zero increases were widespread throughout Local Government in recognition of COVID-19. This year, Burnside is one of only a handful of Councils not increasing its rates. Ratepayers should demand a third year of no increase in 2022/23. Rate adjustments are needed to do two things – balance the budget and pay off debt.

City of Burnside's debt has increased in recent years as we have taken opportunities to build quality infrastructure – eg Conyngham Street, Kensington Gardens – with the assistance of Federal and State funding. However, our debt is highly manageable. It is not an urgent requirement to draw from ratepayers, often managing their own debt, to pay Council debt.

Balancing the budget is the challenge. Costs of goods and services always increase to some extent, and sometimes significantly like waste disposal in recent years, balancing the budget without increasing rates requires either to stop providing services we value or provide them more efficiently.

City of Burnside is not wasteful in respect to costs. It is well-managed, able to respond to pressure points as they occur. Approval of no rate increase creates pressure to perform services slightly more efficiently and I am confident that they will achieve this goal. Without impacting services, Administration has commenced a process of identifying recurrent savings which will deliver savings this year and future years.

We can't hold rates forever but let's go for a three-peat in 2022/23.

Grant Piggott M 0407 158 772
gpiggott@burnside.sa.gov.au

Kensington Gardens & Magill Ward
Cr Henry Davis

My ward of Kensington Gardens and Magill will see huge changes in the year to come.

Works on the north east corner of Kensington Gardens Reserve (KGR) are well under way. Some 20,000 plants, an expanded wetland, barbecue facilities, playgrounds and nature play will see the biggest transformation of KGR in its history. The cricket and rugby clubrooms for KGR have also been approved for redevelopment with a detailed design approved by Council. A new shared facility has been approved with funding from both Council and the state government. I am hoping for federal support soon so that works can start.

The Penfold Park Master Plan has also been approved with many additions and improvements to commence this year, chief among which will be a new playground and irrigation to be installed under the open space (where the dogs run) which will keep the grass green all year round.

The last few weeks have seen significant rain in the Hills Face Zone which has resulted in what seems to be increased levels of silt flowing downstream. Upstream of course are the mines of Boral and White Rock Quarry. Cr Piggott and I are very aware of these issues and monitoring the situation and the effects on our ward. The Residents Against White Rock Quarry action group have been strong advocates which you can support and join.

It's been a huge year for my ward and I didn't even mention Magill Village which is also progressing well! I hope you have a great year and I look forward to seeing these great projects delivered.

Henry Davis M 0410 466 779
hdavis@burnside.sa.gov.au

Rose Park & Toorak Gardens Ward
Cr Peter Cornish

Spring is around the corner, finally a colder and wetter winter we have had, the parks and gardens have needed it. I am happy that Council has been able to secure funding for a number of significant projects.

The Kensington Park Reserve is well underway, Magill Village and the Tusmore Wading Pool are the next significant projects to begin.

As many of you would recall playing in the wading pool as a child, the fun time you had running around the park, playing in the creek and the playground. I certainly remember 'boat' races I had with friends, where we would drop leaves or bits of bark or 'boats' over one bridge and see whose would make it to the next bridge first. I am extremely satisfied that the renovations to this heritage pool will soon begin, ensuring this treasured community asset is available to the next few generations.

While Council's new shed on Conyngham Street continues to win awards, Council is set to receive concept plans for renovations at the Dulwich Community Centre. We will continue to progress this initiative through its next stages.

I would also again thank everyone for their continued compliance with COVID restrictions, it has been difficult for some, but we clearly demonstrate that the compliance works for the better.

Continue to stay safe.

Peter Cornish M 0417 871 155
pcornish@burnside.sa.gov.au

Rose Park & Toorak Gardens Ward
Cr Lilian Henschke

The elms in Alexandra Avenue are sprouting again.

A young rosella fell out of its nest the other day. I put the feisty fledgling in a towel and popped it back into its hollow. The cycle of birth and renewal has begun. So it's fitting this month also saw the birth of the East Residents' Association.

It was just such a group, formed a century ago, that created the war memorial avenues we value today. It's a reminder if you want things to happen it's best to make them happen.

Another example is the resident who wanted me to save a tree in a house that had just been sold. It's a magnificent eucalyptus. The new owners want to 'tidy up' the backyard. But what about the amenity it creates and the home it gives wildlife?

I was elected on a platform of protecting our heritage. A heritage created by the residents who pushed for the trees that line our streets and make this part of Burnside special.

After spring comes summer and trees become our outdoor air conditioners. We need to protect them and we have. One with a trunk circumference of 3.0m or more, or identified as 'significant' by the SA Planning and Design Code, is regulated.

Approval is required before it can be pruned, damaged, killed or removed. If you don't you can be fined up to \$120,000. Any questions contact me or the Council directly.

I hope you'll join the East Residents Association and help protect and enhance our wonderful suburbs in the Rose Park Toorak Gardens Ward. Contact Lyn 0402 128 326 or ynette.pointer@bigpond.com

Lilian Henschke M 0477 748 328
lhenschke@burnside.sa.gov.au

As we enter year two of the COVID-19 pandemic, some members of our community are still experiencing social and economic hardships. For many, the past year has been the toughest time of their lives, and the future still holds challenges. Council is working to minimise the financial strain on our community by freezing rates for a second consecutive year.

Rates

Council is committed to fair and equitable rates with an average rate rise of zero per cent in 2021/22 (excluding growth).

The City of Burnside's Rating Policy provides detail on land valuations and valuation objectives. Council's rating strategy can be found in the full 2021/22 Annual Business Plan and Budget document which is available to read and download from www.burnside.sa.gov.au

zero per cent
average rate increase across the City

Where do your weekly rates go?

- \$2.29** Library and Community Learning
- \$1.54** Community Support and Wellbeing
- \$1.14** Community Centres and Events
- \$1.01** Communications and Engagement
- \$0.37** George Bolton Swimming Centre
- \$3.00** City Development and Safety
- \$1.06** Customer Experience
- \$11.12** Assets and Infrastructure Upgrades
- \$13.95** City Maintenance and Waste Management
- \$1.38** Strategic Projects

Average rate of **\$37** per week

*These figures are based on approximate apportionments of total Operating Income and Expense and are based on average rates (across all properties) of \$1,917 per annum.

Calculating your rates

$$\begin{array}{ccccccccc}
 \text{Total Council rates} & \div & \text{Combined value of all rateable properties} & = & \text{Rate in the dollar} & \times & \text{Property Valuation} & = & \text{Your General Rates} \\
 (\text{eg } \$40.6 \text{ m}) & & (\text{eg } \$18.9 \text{ b}) & & (\text{eg } \$0.0021445) & & (\text{eg } \$893,127)^* & & (\text{eg } \$1,917)^{**}
 \end{array}$$

*The capital value used by Council for your property is provided by the State Valuation Office.

** the minimum rate in the City will be \$875.

Note: A differential general rate of 200 per cent is charged for vacant land.

Hardship relief is available for ratepayers who hold a current Seniors Card and on application are eligible to postpone any amount in excess of \$500 less any concession entitlement. Interest will accrue on postponed balances.

2021/22
Annual Business Plan and Budget Summary

Where the funds will go
\$50.03m

\$1.50m
Community Centres and Events

Managing school holiday programs and community centres across the City and coordinating events at the centres, Regal Theatre, Pepper Street Arts Centre.

\$1.32m
Communications and Engagement

So you can Have Your Say and find out what is happening in your community – website, social media, online consultation, Business Plan and Budget, Focus newsletter, eNews, community consultations, Annual Community Survey.

\$0.49m
George Bolton Swimming Centre, Burnside

Our Finances

\$3.00m
Library and Community Learning

Library materials, toy library, outreach library service (library bus), author events, cultural days and history events.

\$2.02m
Community Support and Wellbeing

3Rs program, Men's Shed, Community Transport, grants, sponsorship, Home Assist service.

\$18.27m
City Maintenance and Traffic Management

Graffiti removal, city cleaning, street sweeping, footpath maintenance, storm damage response, park furniture maintenance, park watering, biodiversity nursery, tree maintenance, tree planting, playground maintenance, verge mowing, park and reserve maintenance, maintenance of assets and infrastructure, Traffic Management.

\$3.93m
City Development and Safety

Bushfire prevention, dog control and animal management, Eastern Health Authority (immunisations, public health, food safety in food businesses), licensing, development applications, heritage, Rangers and compliance.

\$1.38m
Customer Experience

Call centre, after hours call centre, waste enquiries, possum and cat trap hire, bookings for parks, tennis courts and banners, venue hire, parking permits, new resident information, possum box sales, compostable bags, compost bin sales.

\$1.81m
Strategic Projects

For projects such as Magill Village Master Plan and Kensington Gardens Reserve Master Plan.

\$14.57m
Environment and Infrastructure Management

Renewal and upgrade of Council assets and infrastructure, waste (recycling, organic, landfill and hard collection, illegal dumping collection, carbon footprint management.

\$1.74m
Landscape Levy

The Regional Landscape Levy (previously known as the NRM Levy) is a State Government imposed tax, which councils are required to collect on behalf of the State Government under the Landscape South Australia Act 2019 with all funds going to the State Government and not the City of Burnside.

All enquiries or concerns about the Regional Landscape Levy should be directed to the Green Adelaide Board at www.landscape.sa.gov.au

Where funds come from
\$51.06m

\$41.81m
Rates

Property tax is the main source of Council income.

\$3.33m
User and Statutory Charges

Statutory – fees/fines levied through animal registrations, development fees and parking fines. User – charges for using specific Council services eg hire of Council facilities.

\$3.91m
Grants and Subsidies

From State and Federal Governments.

\$0.48m
Reimbursements

Reimbursements for private works and from insurances and workers compensation claims.

\$0.53m
Other Income

Interest earned, rebates received, income from recyclables, investment income.

\$1.00m
Net Gain – Joint Ventures and Associates

Net gain from the City of Burnside's joint ventures and subsidiaries: Eastern Waste Management Authority, Highbury Landfill Authority, ERA Water, Brownhill Keswick Creek Stormwater Authority, and Eastern Health Authority.

2021/22 initiatives

A Regal Theatre Precinct Master Plan will be developed with community input to provide a strategic approach to future works and use.

Continuing the goal for carbon neutrality in 2030, two new eBikes will be purchased for staff to use to attend meetings rather than using cars; investment will continue in Smart Cities 2020 to collect data for the purpose of future decision making, asset management and the optimised use of resources.

The City Master Plan (Urban Form and Transport) will be completed to set out Council's future vision for development, urban form, and traffic and transport for the City of Burnside.

Upgrades to the Regal Theatre information technology will improve its internet access and connectivity to Council's operating systems.

A new wetland and reconfigured tennis courts will be constructed as part of the Kensington Gardens Reserve Master Plan.

Construction of the Magill Village Redevelopment, comprising the revitalisation of the Village Heart, is scheduled to commence.

Traffic control devices will be installed in Verdale Avenue, Linden Park, to improve traffic management for local residents.

Public amenities will be installed at Brock Reserve subject to community consultation.

Council will undertake an audit of all Council buildings and facilities to identify required modifications as a part of Council's Disability Access and Inclusion Plan (DAIP).

New cycling infrastructure will see a wide, safe shared use path installed between Boucaut Street and the bottom of the South Eastern Freeway route, obviating the need for cyclists to cross the freeway at the current crossing point.

A new Sport and Recreation Strategy will be developed, including a community consultation process.

As part of the **Penfold Park Master Plan**, a new playground will be installed that features additional shade and seating.

In Dulwich Avenue, traffic calming measures will be installed to ensure greater road safety.

Construction of a **new clubroom building for the Glenunga Tennis Club** on Kingsley Avenue Reserve is almost complete.

A Pedestrian Actuated Crossing will be installed on Greenhill Road in the vicinity of Hazelwood Park.

Improvements will be made to the **Bonvue Avenue and Lascelles Avenue road reserve** including new lawns, shrubs and bench seating.

An additional modular section for the popular pump track, #rideburnside, will be purchased.

A change room extension for the Old Collegians Rugby Club will see new female dedicated change rooms installed.

Restoration, rehabilitation and replanting of the indigenous species, along with installing a new irrigation system, will take place at the Linden Gardens Urban Biodiversity Reserve.

A new master plan for Bell Yett Reserve will be undertaken incorporating community consultation and landscape design.

Electrification of the pool heating system will be undertaken to ensure the correct standard of heating at the George Bolton Swimming Centre, replacing the current gas boiler. The replacement will reduce Council's carbon footprint and is part of Council's commitment to become carbon neutral by 2030.

100 years of ANZAC Lookout Upgrade. The project is to design and reinvigorate the ANZAC lookout which includes landscaping, tree stumps removal, irrigation, improved and more accessible pathways, lighting, and modern amenities.

Pool re-opens

“We are excited to welcome our community back to our beautiful outdoor pool and to see each other again,” says Ben Grant, the Team Leader at the George Bolton Swimming Centre.

After the winter furlough and restrictions due to the pandemic in 2020, the pool will re-open on Saturday 25 September for the 2021/22 season to great excitement. “We’ve worked hard to put in place all the safety requirements and protocols,” Ben says, “and we are so pleased to be re-opening.”

Remember Watch Around Water and keep children safe at the pool.

With COVID-19 requiring the closure of the spa and steam area last year, the opportunity to thoroughly assess the state of the facilities was undertaken.

Extensive issues with plant, equipment and the buildings were discovered which would require upgrades to the value of \$770,000. In the last full year of use (2019/20 financial year) the spa and steam area was visited 3,079 times, this equates to 6.7 per cent of Burnside’s residents visiting. The cost of safety requirements for this area is \$99,360 per year as a lifeguard is required to be present at all times when in use. With these costs in mind, and the need to minimise the financial strain on our community, the steam and spa area will close.

The savings from this closure will be invested to benefit the wider community with the electrification of the pool heating system to ensure the correct standard of heating at the George Bolton Swimming Centre, replacing the current gas boiler. The replacement will reduce Council’s carbon footprint and is part of Council’s commitment to become carbon neutral by 2030.

Bushfire preparation

All households should be prepared for the bushfire season. Why risk it?

Keeping your home and property well prepared throughout the year is essential to ensure you survive a bushfire. A well prepared home is more likely to survive a bushfire than one that hasn’t been prepared.

Create your Bushfire Survival Plan today – it only takes 5 minutes.

Go to cfs.sa.gov.au for helpful advice. If you are concerned about your or another property, please contact the Rangers team on 8366 4235 and they will be happy to inspect and provide advice.

Dog and cat registration

In South Australia, all dogs and cats must be microchipped, desexed and registered at Dogs and Cats Online (DACO), the statewide database for dogs, cats, microchip, desexing and breeder registrations.

Some exemptions apply – visit the Dog and Cat Management Board website for information about microchip, desexing and breeder laws.

Dog and cat owners should have received a reminder in early July to renew registration by 31 August. If you have not done so, late fees may apply.

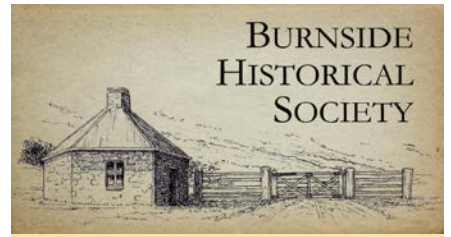

B...Connected

Newland Park Kindergarten Playgroup

We are open on Friday mornings of term between 9 am and 10.30 pm. A \$5 donation is appreciated. BYO snack and water. Access to kindergarten facilities, activities and educators. Everyone aged 0 to 4 years is welcome with

an accompanying adult. An opportunity to play and meet other community families. Bridget Murphy-O'Neil bridget.murphyoneil471@schools.sa.edu.au 8431 1313, 46 Lockwood Road Erindale SA 5066

Burnside Historical Society

Interesting free presentations on Heritage and History

Monday 20 September
Mark Ellis presents: The history of vegetation in Burnside and the recent restoration of the Michael Perry reserve.

Monday 18 October
Colin Seymour presents: The early history of trams in Adelaide with a special focus on the Burnside lines.

Monday 15 November
A special event for members.

Information on our range of talks and other historical information is at www.burnsidehistory.org.au and Facebook.

All welcome. Meetings start at 7.30 pm in the Burnside Community Centre hall, (adjacent Burnside Library) 401 Greenhill Road, Tusmore. Enter car park from Fisher Street, off Portrush road.

Want to promote your events?
Email engage@burnside.sa.gov.au

Burnside Lions Club

The major current fundraiser conducted by Burnside Lions is a monthly Bargain Centre Sale at Glebe Road, Glen Osmond. This event is held on the first Saturday of each month from 7.45 am to 12 noon. Donation of goods can be dropped at the centre on Wednesdays from 9.30 am to 12 noon. Contact Rob on 0413 002 445 for information or to arrange collection. Other projects include digital imaging for age care facilities, Christmas cake sales and collection of eye glasses and stamps. Information is available on the club website www.burnsidelions.com

New members always welcome, email burnsidelions@gmail.com or phone 0413 002 445.

Burnside Combined Probus

Meeting on the second Monday of the month (unless a Public Holiday) Beaumont Bowling Club, 71 Devereux Road Linden Park. Day tours, Bridge and book clubs, guest speakers and coffee mornings. Contact President Dawn Lamont 0409 797 615.

Glen Osmond Probus Club

We are a mixed club and meet on the first Monday of the month at Beaumont Bowling Club on Devereux Road. Meetings commence at 10 am. Guest speaker and outings. Our Christmas in July Lunch at Mt. Osmond Golf Club is still open.

New members are always welcome. Please contact President Christine on 0402 817 525.

Rotary Club Christmas Lunch

The Rotary Club of Burnside and The City of Burnside will hold their annual Senior Citizens Christmas Luncheon on Sunday 5 December from 12 noon to 4 pm in the Burnside Ballroom. Please register interest with Burnside Council on 8366 4200 or The Rotary Club on 0438 878 044. Arrangements can be made to transport invitees to and from our luncheon. Free to attend, but we ask guests bring a gift for The Smith Family children's charity.

Third Saturday every month 9am - 1pm at the Glenunga Hub L'Estrange St Glenunga

Events

Nature Festival

Saturday 25 September –
Monday 4 October

From our own back gardens to the majesty of the Flinders, nature is central to who we are as South Australians. With over 200 events for all ages, the Nature Festival is back for the second year and full of creative ways to connect with nature and each other.

Burnside is taking part in the festival with a display titled *Inspired by Trees*. The public was invited to submit art work and they will be displayed in the Civic Centre during October. People's Choice Awards will be available to all participating artists. Community voting will determine the winners which will be drawn at the close of the exhibition.

School Holiday Program

Lots of activities these School Holidays for all ages. Get in early and book as they fill quickly!

Carols in the Park

Saturday 11 December at
Hazelwood Park 5 pm – 8 pm.

Join us for the annual popular Carols in the Park.

Look out online for our Christmas in the City of Burnside campaign throughout December.

All events are subject to COVID restrictions which apply on the relevant date.

Pepper Street Arts Centre

Exhibitions

Please check website for any changes to the following program. Changes to COVID restrictions may alter the listed dates at any time.

Bold And Beautiful SA Mosaics 3 – 24 September

Mosaics is a broad and creative art form, growing in popularity and one of the oldest art forms in the world. Using treasured pieces of broken crockery, bits and bobs found on holidays, tiles, metal, wood or glass these artists push the boundaries in this exciting exhibition of wall art, jewellery and 3D works.

Conversations Through Texture 1 – 22 October Connected by Thread

Six artists highlight how texture brings the world to life, bringing depth, interest, perspective and the conveyance of emotion. Wall art and fibre sculptures explore nature, re-use, stitch, colour and memories, influenced and altered by the lens of our constantly changing world.

Norwood Morialta High School 29 October – 12 November

An annual exhibition of student work, showcasing a diverse range from the art, design and media department Years 8 – 12.

Little Treasures for Christmas 21 November - 23 December

The much loved annual Christmas exhibition is again open to the community. The variety of works by more than 50 artists include handcrafted jewellery, collage, textiles, paintings, wearable art, woodwork, sculpture and more. All gift oriented and very affordable for Christmas giving.

Gift shop and Artist of the Month

Support local creatives while browsing the incredible range of handcrafted items in the Pepper Street gift shop. Artists supply all year round, perfect for a quality and affordable gift with a difference. *Artists of the Month* showcases bring an additional reason to visit regularly.

Dorrit's Coffee Shop

Our coffee shop has a variety of beverages and local baked goods on offer, very affordably priced for morning or afternoon tea, and supported by our team of welcoming volunteers. Groups are welcome, booked in advance. Free wi-fi and a collection of art library books are for loan also.

Opportunities for Artists

Upcoming exhibitions are now open for submissions from artists for: *Little Treasures for Christmas* (closes 15 September) and *Adelaide Fringe It's Only Natural* (closes 13 October). Submission requirements are found on the website. New artists welcome.

Classes and groups

Visit our website for a range of art forms available across all skill levels – bookings through tutors. Portrait sitters for the long standing Sketch Group are now being sought.

How to keep connected

Please join our free e-list (link on our website) to receive email information and/or like us on Facebook or follow us on Instagram.
