## Exhibition

### *Celebrating 70 Years Studio Potters SA*

28 June - 19 July

This exhibition is celebrating 70 years of Studio Potters SA, which began in 1954.

It is through the hard work and foresight of founding members, and the dedication of those who followed, that have made this club one of the most successful ceramic groups in South Australia.

The continued cross-fertilisation of ideas and techniques inspires and supports current members, and the wider community to this day.

**'Potters are people. People have different personalities and different dreams but they have come together at the club for the pleasure of pottery.'**

Quote from Shards SA Studio Potters celebrate 50 years.

**Exhibition concludes on Friday 19 July at 4 pm.**

# Artists of the Month

July

**Sue Vandeleur**  
**Painting**

'Art has been a constant in my life, in one form or another - from being paper and pencil demanding as a child, to life drawing classes at the National Gallery of Victoria in my teens, and helping to bring a regional gallery to life in New South Wales. Drawing, painting and printmaking have also been a part of my art at every opportunity.

Graduating from TAFE with an Art Certificate (Hons) consolidated my inherent interest in art practice, prior to moving to South Australia. My role as a guide at the Art Gallery of South Australia added immeasurable appreciation of all art forms.

In the series on show during my artist of the month showcase, I have focused on developing the idea of projected light, in which man-made light illuminates the dark. Projected colour, abstracted and reflected on imaginary surfaces, is my central theme in these works.

Imagining! A way of seeing, of highlighting, of interpreting a notion visually via drawing and painting will always be a part of my life.'

An arts and cultural initiative of the City of Burnside

## Art Classes

A range of artforms and mediums are available for recreational learning across all skill levels.
