KITCHEN CADDIES AND COMPOSTABLE BAGS
Compostable bags can be used to collect food scraps to put it in your green organics bin. Kitchen caddies can sit on your kitchen counter or in a cupboard. Each compostable bag fits neatly in the kitchen caddy. Every few days, or when the compostable bag is full, place them into your green organics bin. **Already have a kitchen caddy?** If you do not require a new one, contact us for collection.

NEED MORE COMPOSTABLE BAGS?
Households can have 150 FREE bags per financial year. These bags can be collected from the Burnside Civic Centre. Alternatively, most supermarkets provide compostable bags for fresh fruit and vegetables. Always check the bag says "certified compostable".

Printed on 100% recycled paper. Please recycle.
