Drawing for the Terrified

A tried and tested course for beginners, that aims to unlock our 'right' brains and build confidence by focusing on the rules of drawing and what happens when we don't fully understand them, thus revealing the reasons why we make mistakes. Relaxing and enjoyable exercises demonstrate how our brains fool us into drawing what we 'know' rather than what we actually see. Attendees will be given homework tasks to complete after each session. All basic materials supplied at first session.

Portrait Sketch Group

Are you a budding or experienced portrait sketcher? Join this group on a Thursday afternoon. Their mantra is 'learn by doing'.

There is no tutor. All participants draw at their own pace. Some sketchers are practicing well honed skills, while other sketchers are developing and fine tuning their own. Sitters are provided for the group through an invitation to the local community to book for a 'sitting'. The session is followed by an optional 'cuppa' in the Centre's volunteer supported coffee shop to share their sketches, and to chat with the sitter. Bring your own materials for an afternoon of camaraderie with like-minded portrait sketching enthusiasts.

Thursdays 1.30 pm - 3 pm
6, 13, 20 and 27 February, and
6, 13, 20 and 27 March.

\$4 per sketcher (please register in the Gift Shop on arrival).
No bookings are required.
