

# Tree Species Fact Sheet

## Jacaranda

*Jacaranda mimosifolia*

Jacaranda is a fast-growing tree with a well rounded canopy that when mature, adds an attractive aspect to a street. This tree symbolises the City of Burnside and forms an integral part of the City's logo. This tree will do well under fairly hot, dry conditions. Jacarandas are easily maintained and pruned to achieve a well-balanced shape, ideal for streets.
