

Tree Species Fact Sheet

White Cedar 'Lilac Lady'

Melia azedarach 'lilac lady'

A vigorous tree that is an oddity in that it is one of the very few Australian native plants that is winter deciduous. The tree has an umbrella shaped habit, similar to common White Cedars planted throughout the City, except the species is engineered to produce minimal flowers and fruit.

Height: 10-12 metres

Crown Spread: 8-10 metres

Type: Medium sized native tree

Origin: Australia

Evergreen/Deciduous: Deciduous

-  **Flowers:** Lilac tuber shaped
-  **Bark:** Dark greyish-brown
-  **Fruit pod:** Low fruiting variety
