All social outings for July, August and September 2024 will be available to book from MONDAY 24 JUNE 2024

## **Social Outing Booking FAQ**

#### How do I book social outings?

#### **Booking Form Link**

Once the form has been submitted, you will automatically receive an email with a receipt number, stating that we have received your bookings. Please allow at least one week from submitting your form to hear back directly from us with official confirmation of your outings. Please take this into consideration when placing bookings mid calendar. Our main form of communication will be via email so please ensure you have regular access to your email inbox, as this is where you will find what you have been booked on, waitlisted for and how much you are required to pay.

## **Social Outing Booking FAQ**

#### What if I still need help to make my bookings?

We can offer a personal one-on-one session to show you how to book online yourself using either your mobile phone, tablet or laptop. If you are interested in some extra assistance in the booking process please phone **8366 4222** to arrange a time to meet face to face with one of our staff.

Please ensure the mobile device you will be booking on has an internet connection outside of your home or has the ability to access the Wi-Fi network within Burnside Council to participate in the one-on-one session.

#### What if I don't have internet?

We are here to help. If you do not have internet access and are unable to have a family member or friend assist with booking online, please call us on **8366 4193** or **8366 4222** and our staff will be happy to assist you.

## **Social Outing Booking FAQ**

#### How do I know if I am attending or waitlisted?

Once your outings have been booked in, you will receive an email directly from **chsp@burnside.sa.gov.au** with a table stating which trips have been successfully booked and which ones you have been waitlisted for.

If you have been waitlisted for an outing our staff will email you stating there has been an opening and the total amount due to secure your spots on the outings. For those without email access we will directly call you to confirm.

#### What about payment?

Full payment must be made at minimum one week prior to your first booked social outing. If you have not paid before the date of the outing you may be taken off the list and you will be unable to attend the trip.

To make payment you can call our staff directly on 8366 4222 to make a phone payment with your debit or credit card or alternatively if you will be coming into Council you may pay at the Customer Service Desk with your bank card or cash.

### **Social Outing Transport**

#### Booking your transport for a social outing

When making a booking for a social outing, please tick the transport box when filling out the booking form if you require the use of the car service. When ticking this box consider yourself confirmed and booked into a car, unless we call to tell you otherwise (cars are reserved for health and medical appointments and take priority.)

There will be no specific times given for pick up, but we ask for you to please be ready up to **one hour prior** to the social outing departure time and our car will come and collect you within that time frame.

#### Cost of transport service

Transport in the Community Car for health appointments and social trips costs \$3.50 each way. The volunteer driver can accept cash on the day or you can make payment at the customer service desk to purchase a 10 trip multi ticket for the Community Car service.

You will need to have a referral code for 'Transport' accepted by City of Burnside to access this service.

## **Social Outing Pick Up**

#### **Boarding the Community Bus**

Attendees have the option to board the community bus from either of two locations: City of Burnside Community Centre or from Hazelwood Park.

Please note that if you choose to be picked up from Hazelwood Park when booking, this applies to all social outings you have selected, except any outings that we have stated we will not be providing pick up for. If you wish to change your pick up selection for any particular outings, please ensure you phone or email us stating which outings you wish to change your pick up location for.

If you are meeting the bus at City of Burnside Community Centre, please ensure you **arrive 10 minutes before departure time** at the meet up point. It is vital you arrive on time to avoid the outing running behind schedule. If you are visiting the Cafe or the Library beforehand, please be aware of the time. You will board the Community Bus directly across from the main doors to the Burnside Community Centre, in the designated bus bay.

#### What if I am being picked up at Hazelwood Park?

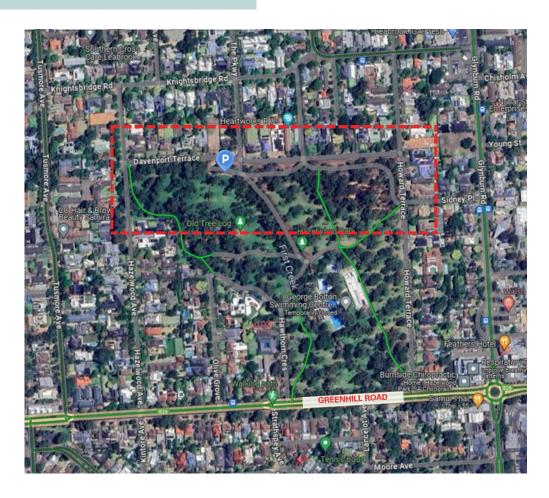

Hazelwood Park is located on Greenhill Road, just a three minute drive from Burnside Community Centre. The Community Bus will arrive in **car park west** which is located at the northern entry to Hazelwood Park.

Please park your car in the designated parking area opposite **The Parkway** off **Davenport Terrace**. The Community Bus will arrive at Hazelwood Park **30 minutes prior** to the event start time. The Community Bus will then continue on to the Burnside Community Centre to collect the other attendees.

If you will be running late to either locations please ensure you phone our staff on **8366 4193** or **8366 4222** to alert us.

## **Social Outing Pick Up**

### **Map of Hazelwood Park**

### **Navigating The Social Outings Section**

#### **Mobility Indicators**

All social outing participants are required to be able to get on and off of the buses independently. Participants will also be required to independently move around during our outings - without the aid of our volunteers. To help identify which outings may be appropriate for you, each event will have a mobility indicator next to the outing details. This is to ensure the safety and wellbeing of our clients. Below shows three indicators stating which level of mobility may be required for a safe and pleasant trip with some examples of why the trip may have been classed a certain way. Please do not leave your walking aids at home to attend an outing. These indicators have been put in place for your own safety.

If you wish to discuss your mobility for any of the outings listed in this booklet or require further information on a location of a social outing, please phone our friendly staff on **8366 4222** before booking.

High

Steep inclines, declines, large stairways, uneven terrain, not a walking frame friendly environment

Medium

Walking tour, gravel paths, narrow access points, some steps/stairs

Low

Easily accessible venue, even terrain, sit down lunch, bus tour, no steps/stairs

### **Navigating The Social Outings Section**

#### **Walking Indicators**

We have also added a little shoe icon • to indicate that a particular outing may have quite a lot of walking, so that even if the mobility level is of a low indicator, you are aware there may be a lot of walking involved. If you have any concerns with walking long distances or for long amounts of time, you can know from the get go when booking your outings.

#### **Menu Links**

If you have received this booklet electronically you can take advantage of the imbedded menu links. To see the attached menu of an outing, please click on the 'Menu' link of a social outing and a webpage or PDF will open up on your device and you will be able to directly see what is available on the menu and the costs to help plan your trips accordingly. Prices on each linked menu are subject to change at the discretion of the venue.

If you are using a hard copy of this booklet, you will not have access to these links, but we have included if seniors or lunch specials are available and a general starting price.
